

WordCamp Griñón 2022

GRIÑÓN, MADRID. ESPAÑA

18TH AND 19TH NOVEMBER

grinon.wordcamp.org

WordCamp is back in the Community of Madrid

Since 2019 there has not been one in Madrid due to the pandemic, the last one was attended by more than 600 people. This time it is in the south of Madrid.

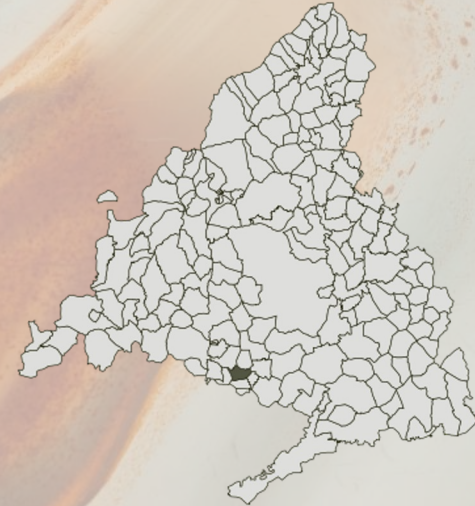

This event is organised by **the Meetup WordPress Griñón** and with the support of the **Griñón City Council**.

We know that Griñón is 25km from Madrid, and for this reason, as we have the full collaboration of the Griñón Town Hall. **Free buses will be provided from Atocha station to Griñón for everyone who wants to attend the WordCamp.** There will also be ample free parking nearby.

So there are no excuses!

Do you want to take part in the **Griñón** **WordCamp?**

Due to the pandemic, many people have started their way on the **Internet with websites and especially in the world of online shops**. And on the other hand, the whole WordPress community loves this kind of events, to meet, chat, drink, eat, learn and have fun...

That is why this will be the WordCamp oriented to E-Commerce & Business & Networking,

Format: 2 days. 1 day of workshops in the afternoon and another day with more than 18 presentations.

Attendees will have breakfast, lunch, afternoon snack, dinner and an After Party, several hours of music with a DJ.

To promote the event we will be supported by the WordPress community, social media, local media, online media, industry podcasts and the event newsletter.

Sponsorship Benefits

- An event we expect more than 280 people.
- Our Meetup has more than 390 members on Meetup.com.
- We were one of the most active meetups during the pandemic.
- We have the full collaboration of the Griñón City Council and they are going to put everything on their side to make this an exceptional event.
- Everything related to E-Commerce will have a strong presence.

Sponsorship Packs

We have different levels of sponsorship that will give you online and physical presence for your company.

We will create a **blog article based on an interview**, social media mentions, **before, during and after the event**.

We will develop a **networking game** that allows participants to **interact with attending sponsors**.

And of course, **you will have your own space** to talk to attendees. **You will be able to hand out merchandising, put rollups, materials in the welcome bag, projection between talks, raffles or invitations to the sponsors and speakers dinner.**

After the farewell we will celebrate the after party. If you are the sponsor of the party, you will have a special canvas. A wonderful moment to share and talk. We will do it in style with music with .
